

Are you a Queen Mary student interested in getting involved in educational development?

This is an opportunity to take an active part in a project.

We would like to invite you to join one of the focus groups and spend an hour on **Wed 13th March** with us discussing these topics based on your experience as a student at Queen Mary.

We, the QM Building Belonging project team, are exploring good practices for enhancing students' sense of belonging and collecting feedback on the QM Building Belonging Framework, particularly in five areas below:

Focus group 1: Welcome and Transition

Focus group 2: Retentions and Progression

Focus group 3: Attainment and Competence

Focus group 4: Extra-curricular, Social and Society Activities

Focus group 5: Alumni Community

This is a great opportunity for you to work with the project team and engage with student-staff co-creation activities. All participants will receive a £20 Amazon voucher! If you are interested in being considered for attending these focus groups:
