Year 3: General Practice Placement*							
General practice with a focus on health equity and social determinants of health.							
NEW for 23/24							
Students will be allocated to practices in groups of 6 – split into 2 x groups of 3 students.							
One group onsite focusing on patient contact, the other group largely offsite undertaking health equity project work in the local area. This will alternate over the 8-week placement. Training will be offered for all elements of this placement.
